## **Consultation No Show/Cancelation Policy**

Here at Solomon Cosmetic Center, we take pride in the appropriate scheduling for all patient procedures. This ensures that each procedure is attended to with the upmost of care.

Appointment scheduling requires careful coordination between our office staff, the doctor, operating staff and anesthesiologist. Upon scheduling your consultation, a credit card will be put on file to secure the appointment. The \$50 consultation fee will be charged on the account, or an account of your choosing upon your arrival to the clinic.

If the appointment is canceled within 48 hours of the scheduled time, or the patient does not show, then the card will be charged the \$50 cancelation fee. We ask you to respect this policy as your time and the time of other patients is important to us.
